Philatelic Terms Illustrated - AbeBooks Philatelic Terms Illustrated This book is in very good condition and will be shipped within 24 hours of ordering. The cover may have some limited signs of wear but the pages are clean, intact and the spine remains undamaged. Philatelic Terms Illustrated - A to C - Canadian Philately Today's post will be the start of what I hope will become a series of posts where I illustrate important philatelic terms that I use in my blog posts. It comes after one of my regular readers suggested to me that it would be useful to have an illustrated glossary. Philatelic Terms Illustrated - A to C - Blogger Today's post will be the start of what I hope will become a series of posts where I illustrate important philatelic terms that I use in my blog posts. It comes after one of my regular readers suggested to me that it would be useful to have an illustrated glossary.

Philatelic Terms Illustrated - D to F - Canadian Philately The term "fugitive" as applied to ink means that the ink will run and fade with exposure to certain solvents. When ink remains unaffected by water, an aqueous solvent, but runs when exposed to mineral solvents like turpentine, it is said to be "singly fugitive.
