Philosophy of history - Wikipedia "Sustainable History and the Dignity of Man" is a philosophy of history proposed by Nayef Al-Rodhan, where history is defined as a durable progressive trajectory in which the quality of life on this planet or all other planets is premised on the guarantee of human dignity for all at all times under all circumstances. Philosophy of History (Stanford Encyclopedia of Philosophy) This "new" philosophy of history is distinguished from analytic philosophy of history in several important respects. It emphasizes historical narrative rather than historical causation. It is intellectually closer to the hermeneutic tradition than to the positivism that underlay the analytic philosophy of history of the 1960s.
