Phlebotomy for Nursing Personnel Class - PICC Resource No the Phlebotomy for Nursing Personnel programs can be completed within 5+ hours, or in as little as one day. If you wish to obtain a national phlebotomy certification, apply for our Phlebotomy Certification Class. Phlebotomy Basics For Nurses - RN Journal Phlebotomy is the process where a puncture is made in the vein to remove blood or infuse fluids such as saline. As nurses we are very familiar with the process of inducing fluids, however, we are not so familiar with the process of removing blood. Phlebotomy Training for Nurses - Nursing Schools Guide Phlebotomist nurses are specially trained nurses who perform the delicate task of drawing blood samples from patients for testing purposes. They ensure blood samples from patients reach the testing laboratory in good and un-tampered conditions.

Why should nurses acquire phlebotomy skills? Nurses are more familiar with the patients than the phlebotomy staff is and can use this information to the patient's advantage. For example, if the patient is sick all night and did not sleep, the nurse could opt to draw his blood later in the day. Phlebotomist vs. Nurse: Which Is the Right Career Choice ... Working as a phlebotomist can be very rewarding, and is a medical career that pays well. Most phlebotomists can earn around \$30,000 each year. You'll be learning an important skill, and playing a crucial role in the medical industry. Nursing is obviously a very appealing career path too but it's much more of a challenge. Phlebotomy for nurses | allnurses Currently our nurses do not get any formal phlebotomy training except for new grad's. Registered nurses are "checked off" to draw blood by their nurse preceptor. Our phlebotomy department gives Graduate Nurses a 4 hour inservice to the Laboratory department which includes a tour.

Phlebotomy Training Classes and Certification | Chron.com Phlebotomy training is widely available through community colleges and career schools. Or you can look for employers that will pay for your training and give you a job. For instance, the Red Cross offers free phlebotomy classes, but you must you commit to working for the organization after training. Phlebotomy Training For Nurses Massachusetts A comprehensive approach to percutaneous injury prevention during phlebotomy: results of a multicenter study, 1993-1995 Massachusetts, who reported sharps-related injuries to employee health Nurses who had adequate training and a positive institutional safety climate were more. Phlebotomy Class Worth It? | allnurses 1) Are phlebotomy sticks the same as IV ones? 2) Do you see a benefit to taking a phlebotomy class to gain experience and/or confidence? 3) Would a phlebotomy certificate look good a resume for a new nurse? - does it give you any advantage.
